

CURRICULUM VITAE

NGENO KIPKIRUI SOLOMON

Tel: +254713727293

Email: ngenosolomon712@gmail.com

PERSONAL STATEMENT

Motivated and detailed IT professional with a strong foundation in software engineering, technical support and computer systems. Skilled in troubleshooting, system maintenance, networking basics and user support within Windows environments. Adept at learning new technologies quickly, working collaboratively in team environments and delivering reliable technical solutions. With strong problem solving ability, excellent communication skills and commitment to continuously learning, I'm eager to contribute to a dynamic IT or technical support team while developing into a well rounded IT professional.

EDUCATION

2021-2025 Kirinyaga University, Bsc Software Engineering (Degree Certificate 2nd class honours)
